## President's Message

The 2003 year of cattle penning is getting lined up to get going. The show dates have been set with the 22 March 03 being the first show at Olds.

It was decided by the voting membership at the annual meeting that there would not be an individual high point this season. It will be strictly team points. Also there will be one substitute allowed for each team this year.

Again this year we are going to have a judge's clinic. Any one interested in judging has to take a judging clinic. Even if you are not interested in judging it is a good idea to take the clinic as it gives you a better perspective of the rules for penning.

**Memberships for this year.** Both the Central Alberta Team Penning Association and the Canadian Team Cattle Penning Association memberships must be sent to Leah Ogilvie this year. Get your memberships in early.

Unless you are notified differently by the rating committee everyone will start out with last year's rated number. The only persons filling out a rating form will be new members. Get your memberships in early.

At this time I would like to thank last year's board for a very successful penning this past season. I am looking forward to working with the directors who are carrying on from last season and the new directors elected this year.

I want to wish everyone a Merry Christmas and a Happy New Year and a good penning season.

N. Strause

### Memberships

This year the Central Alberta Team Penning Association (CATPA) and the Canadian Team Cattle Penning Association (CTCPA) membership forms are both to be sent to Leah Ogilvie with the cheques made out to CATPA. Leah's address is on the forms. It is important to get your memberships sent in well before the penning season starts as Leah must forward your CTCPA forms to the CTCPA to check your rating. **Send membership forms in early.**

### Ratings

Please note that your rating will be the same as last year. If there is any change you will be notified by CTCPA. Therefore get our membership forms sent in early to finalize your teams.

### High Point Awards

There will be no awards for individual high points in CATPA this penning season. This was decided by a vote taken at CATPA's Annual General Meeting on October 29, 2002.

There will be high point awards for the teams. The points will be calculated from all seven shows to determine the placings. The seventh show is the finals on Sunday, September 7, 2002 at Red Deer. Your team must ride in four sanctioned CATPA shows to qualify for the CATPA finals.

### Substitutes

Each team will be allowed one substitute for the year. This decision was made by a vote at the CATPA Annual General Meeting.

## New Directors

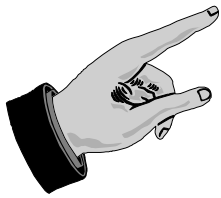

Five new Directors were elected at the CATPA Annual General Meeting. Welcome to the CATPA Board Norm Strause (President), Rod Wilson (Vice-President), Kris Standish, Marv Shoup, and Chris German. They will be working diligently with Jim Gilbert (Secretary/Treasurer), Dave Hueppelsheuser, Max Cox, and Peter Burke to put together fast moving shows and other CATPA events throughout the penning season. The Board elected the officers at the General Annual Meeting. Fortunately for CATPA Connie Holmberg, Wendy Cressman and Leah Ogilvie will be staying for another year. Congratulations to the five new Directors.

## CATPA Committees Named

The CATPA Board has set up committees to share the workload. Some of these committees are Facilities and Cattle, Officials and Equipment, Finals, Sponsors and Awards and finally, the Banquet. If you, as a member of the Association, are qualified or have a particular interest in any committee, please feel free to contact the chairman of that committee and offer your help. This gesture would be much appreciated. The Chairmen are listed under the CATPA 2003 Executive column in this newsletter. Come out and join in the fun of working with the Board.

---

## NOTICE:

Send the CATPA and the CTCPA membership forms together to Leah Ogilvie along with one cheque to cover both memberships. If you want to subscribe to the Northern Review Magazine, add this amount of money to the cheque as well. Make the cheque payable to CATPA. Leah will then forward the required forms to the CTCPA. Get these forms in early so your ratings can be confirmed.

---

### Good News

The date has been set for the 2003 CATPA Annual banquet and awards night. Keep Saturday, September 27 open and come for some fun to the North Hill Inn. Tickets will be available from your Directors.

---

### Changes In Entry Fees

Due to rising cattle costs and administration costs entry fees for adults are being raised to \$36.00 per adult and to \$20.00 per youth for the 2003 penning season. This is a one-dollar raise for adults and a five-dollar raise for youth.

---

### Going On Line

The much-talked about CATPA web site is about to become a reality. Webmaster Chris German is getting things organized so that in the near future you will be able to get the newsletter, standings, ratings, membership forms, show dates and many other things including links to other sites and sponsorship information on a CATPA web page. This will allow CATPA members to have the latest information, which will be kept currently updated. This is definitely a viable, keen Board of Directors. What next?

### From a Timer's Point Of View

To Laura Krebs from Marj Strause, December 2002

I didn't know him well  
you see, only  
From a timer's point of view.  
But what I saw from  
where I sat  
Was a man who'd earned his due.  
With his hat on straight and  
beard just so  
This man could sit a horse.  
He penned with them all  
young or old  
Enjoying his chosen course.

You could hear him out there  
coaching beginners  
Willingly sharing his know-how.  
Respect he did have from  
penners and friends  
And, I'm sure, from even the cow.  
Laura, that empty hole will  
always be there  
It will never go away  
But the love you had and the  
times you shared  
Will forever be here to stay.
