

CATPA NEWS

Central Alberta Team Penning Association

December 2004

A Message from Our President

The CATPA annual meeting was well attended with six (6) new Directors elected. The complete list of Directors and their contact numbers are included in the newsletter. The Directors have elected me as President and with that comes the responsibility along with the other members of the Board, to manage the affairs of the Central Alberta Team Penning Association.

We have included in this package a list of members and the rating number that has been assigned to them for the 2005 penning year. The package also contains membership application forms for CATPA and CTCPA. I would ask that you send your **membership applications** in as soon as possible as we have set an initial **deadline of January 15, 2005** for CATPA to receive them. There will be a **50%** increase in CATPA fees **after that time** as a later date creates problems moving the information through the system to CTCPA and back to each member. The Board is pleased to be able to send out numbers for the 2005 penning year as this will allow members to set up teams knowing there will be no change in numbers for our season. The rules state *that CTCPA could change your number for the National Finals in the fall of 2005* but *we can assure you there will be no changes for our season*. I would like to thank Peter Burke, his assistants, and Linda Burrell for having this in place in such good time. Please call Peter if you have any questions regarding the ratings process.

We have set the show dates and they are included in this newsletter. There was concern at the Annual Meeting as to the number of shows and having too many 2 day shows. We have discussed this at great length, and found it very hard to move away from that concept. We would encourage members to consider how many shows they can attend and if there are problems to sort that out with team members at the start of the year. I may not be able to attend all shows but as long as my partners know that up front, I believe they can then get replacements. We need six (6) sanctioned shows for the National Finals so our numbers cannot really be reduced. Please be patient and plan accordingly in this area and feel free to call me if you have concerns.

We would also like to hear from members that may have ideas regarding sponsorship. The area of sponsorship is of extreme importance as we look at prizes, added money and operating costs. The sponsorship committee, with Chuck McNeil as chair would love to hear from you in regards to a new sponsor they can contact. A special thanks to Central Alberta Printing (Richard Grimberg Owner & Manager) for agreeing to sponsor/ photocopy our newsletter for 2005! As well, a HUGE thanks to Western Sky, Gilbert Financial and Cam Clark for their ongoing support to team penning!

We are in the process of allocating shows to any show operators who are interested and will have that finalized as soon as possible. I am looking forward to working with a great group of Directors and our Office Manager Colleen Homme to provide a season format that we can all enjoy, have fun and possibly win cash or prizes!

Please feel free to call me at any time with positive comments, concerns or just to chat!

Sincerely,

Tom Milne

2005 Major Sponsors

Sponsorship directed to CATPA is of the outmost importance. The addition of non member dollars enhances year end added funding, higher quality prizes and is a great deal for all of us.

On behalf of CATPA, our Sponsorship Chairman Chuck McNeil would encourage everyone to support all sponsors when possible and please mention you are a CATPA member. Sponsors when possible like to see the benefits of their contribution so it is very important to make sure they know you are a CATPA member.

Sponsors to Date

Western Sky
Hwy 2A South Carstairs, AB
(403) 337-3007

Terry, Elaine and staff would be pleased to assist all CATPA members with their Christmas shopping. They can show you their extensive assortment of saddles, clothing, tack, feed, and many unique gifts not available elsewhere. Western Sky has a very large inventory with many different name brands on display waiting for CATPA members to look at and fill their Christmas stockings! Please visit Western Sky for all your shopping needs now and in the upcoming year. Western Sky is looking forward to being the western shop of choice for CATPA members in Central Alberta.

Terry and Elaine would like to wish all CATPA members and their families a very Merry Christmas and a Happy New Year!

TENTATIVE SHOW DATES FOR 2005

Here is a list of tentative dates dependent on confirmation after meeting
With Show Operators January 5, 2005

March 19, April 23, May 14 & 15, June 11 & 12, July 16 and August 20 & 21.

The CATPA executive will be meeting with Show Operators on Jan. 5, 2005 to confirm dates and allocate shows. We will be notifying Operators from last year about the meeting and requesting written applications from them. **We would request that any other individuals (Operators) who may have an interest in requesting a show for 2005 contact one of our directors by December 17, 2004 to receive an outline of what is needed to produce a show.** That timeline will allow the Board to have their facilities committee meet with the applicant and review procedure and the facility to be used.

The CATPA executive has taken all comments and suggestions into account with regard to weekend shows and the number of shows. The format has not changed from last year, as we need these dates to have 9 shows and provide enough opportunity for individuals who want to qualify for our Finals and the National Finals. We hope riders will look at their schedule and work through the numbers with their teammates if unable to attend all shows.

We have also tried to keep our dates away from Chinook and TCPAA as much as possible. There may be some conflict but there are too many shows and not enough days to miss all other association dates.

Please feel free to call one of our Directors if you have any questions or concerns.
