Please bring an accompaniment or dessert to add to the meal.
- All dogs must be on leashes at all times.
- This will be an outside show, so come prepared for all seasons, spring, summer, and potentially winter. Remember it is Alberta and the weather forecasters are not to be trusted.
- For those coming Friday evening, Brad Richardson has agreed to cook your meat if you bring some and will also provide baked potatoes. Let him know if you are going to join the pot luck so he has enough potatoes for all. Please bring something to share as well.
- The awards banquet this year will not be held at the finals show, but will be held on September 7<sup>th</sup> at Mountain view hall, near Didsbury. There will be more details to follow, but save this date.
- The finals themselves will be held on August 24 and 25 with the AGM being held sometime that weekend as well. It will be a two day show and the format has not been finalized. There will be a Century and ½ class sponsored by Sherry and Bev Mailer. More details will follow.

See you this weekend!
